The skinny necktie

The one-size-and-a-half necktie. Not too chunky, not too thin. A little extra and very comfortable. Shop: The Knot Pinky

The limited edition

How to take luxury to a new level? Choose limited editions. Some sportswear and dress shirt manufacturers have espoused a less is more doctrine, guaranteeing you won't be competing with the store up the block, and your customer won't see himself coming and going.

Edo Popken plaid sportshirt (one of 111), \$195.
